
Product Data Sheet

4M CL PET/ SR101/ G80

MZ1077A

Issue date: 2012-10-04

Facestock

4M CL PET is a clear gloss polyester film.

Basis Weight 140 g/m² ±10% ISO 536
Caliper 100 mic ±10% ISO 534

Adhesive

SR101 is a specially formulated solvent acrylic removable adhesive with versatile performance properties.

Min. appl. temp.: +5C
Service temp.: -20°C ~+80°C
Peel Adhes. 90°(24hr) 200~550↑ gf/in FTM #2
Loop tack 450↑ gf/in FTM #9

Liner

G80 is a super-calendered white glassine paper liner, specially designed for high speed converting.

Basis Weight 80 g/m²±10% ISO 536
Caliper 65 mic ±10% ISO 534

N.B.: All data to be considered as typical values.

Applications and use

This product is specifically designed for use in resealable applications such as wet tissue requiring clear removability without smudge.

Conversion / Printing

Testing is recommended to ensure satisfactory toner anchorage and print results with specific ribbons. This product can be die-cut and stripped at high speeds on standard web-fed presses. Sample labels in a variety of shapes have been dispensed and applied successfully with standard labeling system

Shelf life

1year when stored at 22°C at 50% RH

Statement of Practical Use:

As with all pressure sensitive materials, this product should be tested thoroughly under end-use conditions to ensure it meets the requirements of the specific application.

Warranty

Information concerning Products are based upon tests believed to be reliable but do not represent a guarantee or warranty. Products are provided on the basis that any Purchaser has independently determined the suitability of the Products and Purchaser's purposes. The Company warrants the products to be free from defects in material and workmanship. Should any failure to conform to this warranty appear within one year of delivery (but not afterwards), upon notification thereof within seven (7) days of such appearance and substantiation that the Products have been stored and applied in accordance with the Company standards, the Company shall within a reasonable period correct such defects by providing a suitable replacement without charge at the Company's plant or at the location of the Products (at the Company's election) provided however, if the Company in its sole discretion determines that replacement is not commercially practical, the Company may issue a credit in favour of the Purchaser in an amount not to exceed the purchase price actually paid for the Products. Any implied warranty of merchantability fitness for particular purpose or other warranty of quality, whether express or implied by law, is hereby excluded to the extent permitted by law. In no event shall the Company be liable for any incidental, indirect or consequential damages including, but not limited to, loss of profit, loss of use or loss of capital. The remedies of the Purchaser set forth herein are exclusive, and the total potential liability of the Company arising out of any contract of or from the manufacture, sale, delivery, resale, installation or use of any products shall not exceed the purchase price of the products upon which liability is based.
